Subject : Modification in the format of Employer Code Number.

Sir/Madam,

With reference to above cited subject, it is to inform that E.S.I Corporation has initiated a comprehensive IT Roll out plan entitled Project "Panchdeep" and in order to make the employer code number compatible with computer the same has been modified to 17 digit format as under:-

Old Code No: 61-2522-101

Modified Code No.: 61-00-002522-000-1001

Henceforth, you are required to use the afore-mentioned modified 17 digit code number for all future correspondence/use (Affix the Seal on Declaration Form, Challans, R.C. etc.).

The Project "Panchdeep" includes the work relating to issue of two magnetic Identity Cards to Insured Person (One for I.P. and one for his family) enabling Insured Person and his/her family to avail medical treatment in any E.S.I. Hospital or dispensary across India, with a view to improved service delivery and enhancing direct connectivity with all Employers'. In this regard, it is requested to submit Declaration Forms with latest particulars in respect of all covered/coverable employees' along with latest family particulars for updation of the data. At this stage, the photograph of Insured Person and their family members are not required. You are requested to hand over the declaration from to Br. Manager at the concerned Br. Office or to the E.S.I Officials visiting the Factory/Establishment to collect the latest declaration form; the information contained in the new Declaration Form shall be converted into digital format.

Soliciting your co-operation to make the process of computerization a success.

Yours faithfully

(S. S. Rawat)
